

Dental Surgeon

Deepan Shah

BDS Hons (London)

Deepan graduated from Kings College London with Honours in 2007. Following Vocational Training in Wales, he joined Ware Dental Care in 2009.

Being at Ware Dental Care for several years, he has built a good caring relationship with his patients. As a general practitioner, he takes pride in providing a spectrum of treatment which enables him to fulfil the desires of his patients. He gets great pleasure in helping nervous patients and young children with their dental needs.

Deepan enjoys delivering minimal invasive cosmetic treatment using tooth whitening and tooth coloured restorations such as composite fillings, inlays and onlays.

He has completed a year long course in Cosmetic Dentistry & Aesthetic Restorative Dentistry to enhance his knowledge. To add to his array of skills, he is also a qualified dentist in Quick Straight Teeth providing simple orthodontic solutions to front teeth alignment problems.

Away from dentistry, Deepan enjoys participating in a variety of sports including football and badminton. He is also a keen traveller and likes exploring different cultures and cuisines.
