

Dental Surgeon

Minal Bhatt

BDS (Medunsa)

Minal graduated from the Medical University of Southern Africa in 2000 and after working a year in Escort Hospital in KZN, She left South Africa to work in the UK.

After working in Littlehampton (West Sussex), Leicester, Nottingham, Golders Green(London), she joined Ware Dental Care in 2004 and currently works part-time. The last 12 years have seen her build up a strong patient base and develop a great rapport with them. As a general dentist she enjoys all aspects of dental care, especially the opportunity to carry out non invasive dentistry and promote preventative dentistry.

Minal has worked with a great number of nervous adults and children and strives to make every dental experience a great one for each of her patients. Outside of dentistry, Minal enjoys photography, yoga, travelling and reading in between raising two children. She has a friendly and understanding approach towards her patients and strongly believes in preventive and minimally invasive dentistry. GDC number is 82477
